Rabbi Alan's Message...

SUMMERTIME STAR NEWSLETTER 2024

THE RABBI'S WORD

We are well into the summer months of relaxation. During this time, we will welcome the month of Tammuz. According to the Talmud, the spiritual sense of sight which is associated with the month of Tammuz is the ability to “see through” physical realities, to behold the Divine source of what we encounter. Tammuz becomes a good time for letting go of what no longer serves us, and to begin to empty our hearts and open ourselves in preparation of the New Year, which will arrive in a short time, October 2 to be exact. For us as individuals and as a community, this becomes a good time for reflection in our own lives and in the life and future direction of our congregation, as we each take an inventory of our spiritual, in what brings us the greatest joy state. This unique sense of sight and vision means that what lies ahead is as much about what we actually see as how we perceive and respond to what we face. And as always, we are appreciative of our leadership.

Wishing you all a happy, healthy, relaxing, peaceful summer.

Kol tuv, with all goodness.

Rabbi Alan Lefkowitz

A Message from the Co-presidents...

Though we take a summer hiatus from holding weekly Shabbat services, the work at TBT continues in earnest!

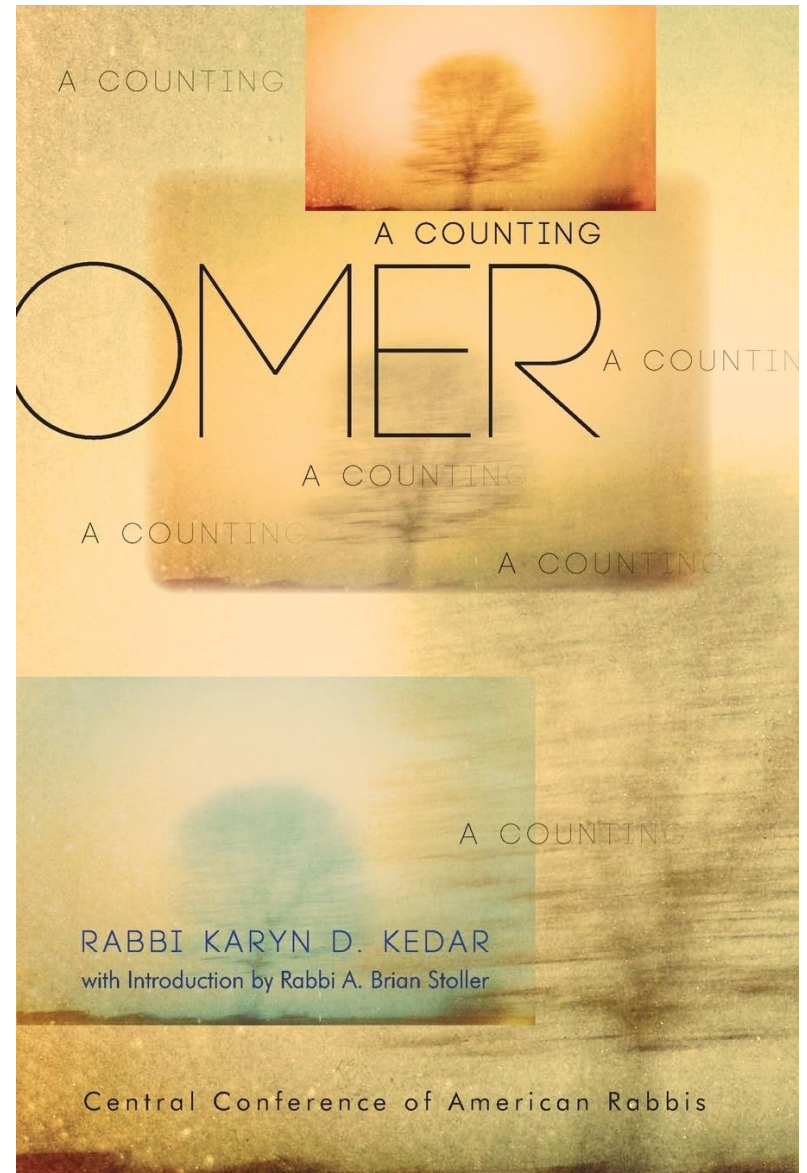

- David and team have been busy installing new doors throughout the building. These are code-compliant, safer doors, funded by our security grant award. A new keypad lock has been installed on the Social Hall door, which will go into action soon.
- A TBT angel has done some pruning to tidy up the little garden area near the Social Hall entrance, and we'll be trimming the large tree to the side of the kitchen to clear overhead branches from that roof area.
- Rabbi Alan, David and Deb have developed a basic calendar schedule for the upcoming year, and work has already begun for the High Holiday season.
- Gary has been putting in many hours bringing clearer organization and efficiency to our banking and insurance needs.
- Wayne continues to lead our informal discussion group, which met in mid-July to engage in a very timely discussion (with no easy answers!) about how we have conversations with people who strongly disagree with us.

See you soon! ~ David and Debra

Tikkun Leil Shavuot, June 12th

This annual gathering never fails to inspire and touch the heart! With a good-sized group present, brief lessons and personal stories were shared. You truly had to be there to appreciate the human wonderfulness of it. And, to top it off, Helene S. provided us with delicious cheesecakes! One book that Mara presented from was of interest to many. For those wishing to explore further, it was *Omer: A Counting* by Rabbi Karyn Kedar.

Todah rabah, to all of the participants!!!

The adult children of Barbara Checknoff and Rabbi Seth Riemer - Calmen, Ezra and Hadassah - most generously donated a number of beautiful items to TBT. These include several tallitot, a charming tambourine to add to our percussion instruments, and several door-frame mezuzot (see pic). If any member is in need of a mezuzah, please let us know! In Barbara's memory, we'd like to "pay it forward" and see these used to continue Jewish tradition.

Grocery Gift Card Fundraiser Time!

While Judy is here in New England, she has offered to organize a Grocery Gift Card Fundraiser! It's very simple:

- Let Judy know which of these stores you shop at, and what value shopping card(s) you would like: Stop & Shop, Big Y, Stew Leonard's
- Send her a check or Zelle, and she will purchase your cards for you
- Stores then donate a % of the card value to TBT
- You use your card(s) as normal, enjoying the full value of the card(s)

Contact Judy TODAY to find out more details! (Please let us know if an email or phone number is needed.)
